[From "New Again" || SojournMusic.com || 2015] by Brooks Ritter (Based on a Gadsby Hymn)

## VERSE 1

**E**  
Oh Lord, our Father God and Friend,  
**Amaj7**  
Your Majesty knows no end,  
**C#m7**  
When we, so helpless wrecked with sin  
**A B C#m B/D#**  
You spoke to life the hearts of men  
**C#m7 G#7**  
All You Saints! Adopted ones!

## CHORUS

**E**  
Sing to Him enthroned on high,  
**B**  
Who calls us sons and heirs of light,  
**A E B**  
He sent His son, the ransom for our crimes.  
**E**  
Should thieves or death or demons try,  
**B**  
To cheat us of this new birth-right,  
**A F#m E B**  
We're safe within the Firstborn's sacrifice.

## VERSE 2

Creation wearied, waits in death,  
For life again with God's elect,  
By faith, Christ's blood in us perfects,  
Eternal hope we now possess,  
All You Saints! Adopted ones!  
(to chorus)

Our Savior stands in victory

None shall be taken from His hand,

Our Sovereign God the Great I AM!
