E
If I could turn my treasures
A **E**
Over one by one and drop my guard

Whenever my gold and silver corrode
A
I wont be broken

I won't be scarred

VERSE 2

Whenever my name is spoken
And diamonds turn to dust my soul departs
Then maybe this pen I hold
Could compose the songs I have...
Written on my heart
{CHORUS}

BRIDGE

B **C#m7**
Angels sing with lifted wings
A
Of glory that we have not seen
B **C#m7**
Creation waits to see the day
A
When the dust is cleared
The dust has cleared

B **C#m7**
Angels sing with lifted wings
A
Of glory that we have not seen
B **C#m7**
Creation waits to see the day
A
When the dust is cleared
And only truth remains
